About Sovereign Business Resources

Sovereign Business Resources (SBR) is a specialist recruitment agency that has been supporting clients for over 6 years throughout the UK, Europe and Internationally.

We understand that people are the most important asset to any business; thus we work closely with our clients to gain a true understanding of not only the job description and the desired skill-set but also the company culture, character fit and their professional values. Equally for our candidates we understand them as individuals; their key motivational triggers, professional aspirations, who they are and what makes them tick.

This is all done to enable SBR to bring together not only candidates that can successfully fulfil the role but to ensure true longevity of employment with our clients.
